### Event Summary:

The ITSA and IIC organized an event names as “Unlocking the Success” took place on 31<sup>st</sup> of July, 2024 in the seminar hall VPPCOE&VA at 2pm. In which we invited the guest named as “Ashish Karani”.The seminar, led by Ashish Karani, was designed to enlighten aspiring entrepreneurs and students on the benefits and functioning of accelerators and incubators. These platforms are essential in nurturing startups, providing them with mentorship, resources, and networking opportunities to enhance their chances of success.

Ashish Karani shared invaluable insights on startup development with our students. He covered stages from ideation to scaling, and shared inspiring success stories highlighting the benefits of accelerators and incubators. Ashish explained the application process, key selection criteria, and tips for crafting successful applications. He emphasized mentorship and networking, showing how these connections enhance a startup's journey. Additionally, he discussed funding and investment fundamentals, preparing students for investor pitches and funding agreements. Addressing common startup challenges, Ashish offered effective strategies for overcoming obstacles. His discussion provided a wealth of knowledge and inspiration for students to pursue their own startup ambitions.
